### Blueware's 7<sup>th</sup> Anniversary in the UK

This marks the continued consistent innovation and inspiration BlueWare receives and provides to the NHS. Rose Harr, BlueWare's CEO states that BlueWare BestBond our latest release of our award winning electronic document management software was been designed specifically with the NHS needs in mind. During successful engagements at an Orthopedic department in an acute hospital, at a paediatric department in an acute hospital, a community children services (12 services) and acute trust BlueWare created features including specialty view, growth charts and timeline views to name a few.
